Why choose Manchester Art Gallery?

"Victoria and the team at Manchester Art Gallery have been exceptional hosting our conference dinner at the Gallery. From our initial communications, and throughout the event itself we could not fault the team.

We received many positive comments and feedback from our guests of how much they enjoyed the evening, and they were amazed to be able to dine in the galleries amongst the artwork. Thank you Victoria and Team for hosting an amazing event for us."

By making a booking you are supporting the work of Manchester Art Gallery to make great art, exhibitions, learning and thinking happen.
